

Product Change Notification

iSENS Anti-two-block switches (HES/A2B)

PCN-no. WMC-PCN-2024-0201
Announcement date February 5, 2024
Subject Transition from embossed cover to plain cover with label

Reason for change Embossed cover does not allow serial numbering
Delivery of new parts from February 1, 2024
Description

- Change of A2B switch cover from embossed cover to cover with label
 - o Label will be on the outside as well as on the inside of the A2B switch
 - o Label shows more information than an embossed cover
 - o Allows serial number tracking
- **Temporary change:** replacement of countersunk screws with pan-head screws during transition from old to new cover
- Due to recertification adjustment of A2B product names (see list below)

Measures

- Adjusted drawings
- Updated datasheet

Available documentation Drawings, datasheet
Products affected Please see list below
